

Instructions: Complete each of the drawing prompts as described. Sometimes you will need to watch a video to complete the prompt. You will only be required to use pencil, however, you can add color if you wish.

Day #1: Draw your favorite childhood toy from memory. Include as much detail as possible. (If you didn't have a favorite toy, pick something that has special meaning to you and draw it instead.)

Day #2: Watch this youtube video <https://youtu.be/vyeZbyEvZ28> about 2 point perspective. Follow along and draw as you watch. Then create a new sketch of your own modern house.

Day #3: Watch this youtube video <https://youtu.be/eWLQSQDoj8w> and draw with the instructor. Then create a new sketch of a head from your imagination.

Day #4: Watch this youtube video <https://youtu.be/xbE0vYgng00> . Then, ask someone in your family to pose for you so that you can draw them as a gesture.

Day #5: Watch this youtube video <https://youtu.be/XtRwwluzqSw> . Draw yourself posed in such a way that you must use foreshortening. (This does not have to be detailed, a simple sketch with contour lines will do.)
